bridging our musical past and future...

# The Prelude

March 2016

## DEAN'S MESSAGE

Happy Lent to all of you fellow musicians toiling in the vineyards of the Church! I'm sure this time of year finds you to be very busy. There is always plenty of music to learn, rehearse and perfect as we make our way toward Holy Week, Easter and the other spring festivals and programs. I am especially enjoying the very satisfying results of a thorough cleaning and upgrading of the pipe organ that I preside over. My Lenten and Easter experience should be extra exhilarating this year.....and much less dusty!

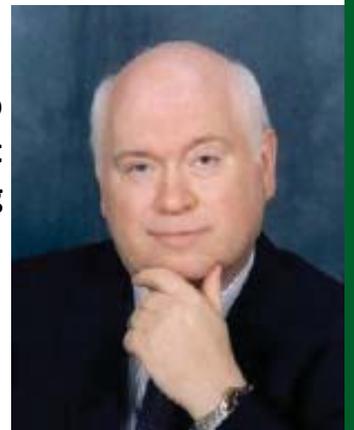

We sent out an email "blast" last week about our April 15<sup>th</sup> Organ Tour led by Mark Muller of Muller Pipe Organs. I asked for RSVPs to be in by Thursday, February 24<sup>th</sup> so that transportation arrangements can be made. If you did not get that message, talk to me N-O-W!! My email is: [cipher241@hotmail.com](mailto:cipher241@hotmail.com), and my home phone number is 419-352-2329. We may be able to squeeze you in!

Although I was not able to personally attend our February silent movie extravaganza with Aaron David Miller at Community of Christ Lutheran in Whitehouse, I DID hear rave reviews about it. Thanks to Pam Davis for hosting this program in her Concert Series and allowing our Chapter to be part of it.

Our March 6<sup>th</sup> Chapter Program will be our Annual Student Recital and Scholarship Awards. The program will be held at Christ Presbyterian Church on the corner of Sylvania Avenue and Talmadge Road in Toledo (*across from Franklin Park Mall*). Come and hear our students on the 50 rank Casavant organ! 3:00 PM.

If you have any ideas for next year's chapter programs, we'd love to hear from you. What are your needs? What do you enjoy? What would be of benefit to you, your skills, your continuing development? Talk to us!

*Neil Kraft, Dean*

## Save the date!

On Sunday, October 9, 2016, at 3pm, Market Street Presbyterian Church in Lima will be having a concert featuring Hector Olivera. More information will be available this summer.

## TOLEDO AGO AT THE PERISTYLE... AGAIN!

Once again, we have been invited to provide an afternoon of music on the Peristyle Skinner organ at the Toledo Museum of Art. I have just spoken with Rebecca Speegle, Coordinator of Programs and Exhibitions, and we have tentatively set the date for Saturday, June 4. The date will be firmed up next week, and I will send an email to you all then to confirm it.

The concert will run from 2:00-4:00pm, so we will need four to six organists to perform. This could also be an opportunity for "organ plus" if anyone would like to reach out and involve other musicians.

Please let me know if you are interested in playing 20-30 minutes of this program. I would like to give priority to individuals who did not play last August, but, having written that, I also think we may have time and space for repeat performers. Please just let me know your interest and availability, and I will put the program together from that!

It's nice for our chapter to have this opportunity to share great organ music, gain visibility in the arts community and strut our stuff! I look forward to hearing from you.
