

# The Prelude

October 2017

The American Guild of Organists, Toledo Chapter

## Dean's Message

Greetings! As I write this on September 25, I think that fall is here with the fresh start with choirs and other church programming and responsibilities that we experience, but it sure hasn't felt like fall this past week or so with weather more like August!

Our September meeting at the Black Pearl was a wonderful evening with delicious food and great fellowship. About 15 of us enjoyed the relaxing evening. A number of our members shared about various conferences and continuing education events they attended this summer. The events included the AGO regional in Youngstown, the Indiana University Sacred Music Intensive Course, the ALCM (Association of Lutheran Church Musicians) Biennial Conference in Minneapolis, the FABM (Fellowship of American Baptist Musicians) Conference for Church Musicians in Green Lake, WI, the NPM (National Pastoral Musicians) Conference in Cincinnati and the Augsburg Summer Music Clinic. (We were a busy group!)

All who attended these various events told about the positive experiences they had attending various sessions/classes, participating in various ensembles or performances and enjoying wonderful concerts. JoAnn McKelvey, a retired organist who served a number of Toledo area churches, stated that she enjoyed hearing our comments and that it reminded her of when she had attended various conventions/conferences when she was an active church musician. Her words and thoughts were an encouragement to us in our work in church music and a very appropriate way to end our meeting!

Our chapter has two events in October. The first is our annual scholarship auditions which will be at Our Lady of Lourdes on Sunday, October 8 at 3:00 p.m. Each student will play two selections and a hymn; they will also sight-read a hymn. The students will receive written comments from the judges. The auditions are open to the public; I encourage you to attend in support of these aspiring young organists.

On Saturday, October 19, we will meet at Community of Christ Lutheran Church (Whitehouse). Scott Hyslop will present a program on the life and organ works of Paul Manz in observance of the 500th Anniversary of the Reformation. Scott studied with Paul Manz and wrote his biography.

The AGO has realized that it needs to reach out to all organists—whether they play pipe organs, electronic organs or hybrid instruments. Some of our members regularly play an electronic and/or hybrid organ. (I play an electronic organ each Sunday during the school year for our early chapel service.) Our chapter officers have had some conversation about this. As a result, we have scheduled at least one of our events this year to be held at a church with a hybrid instrument. (This isn't the first time we have done that; a few years ago one of our meetings was at a church with an electronic organ.)

If we truly want to be inclusive, we must be accepting of others and the instruments that they play. Not all churches have pipe organs. It is important to have a good instrument to lead a congregation in worship; it's also important to offer up the best music that we can on whatever instrument is used. In reaching out to all organists, we are fulfilling the vision of the Guild to engage, support and uplift every organist. *Soli Deo Gloria!*

—Mark Mathias, Dean

*The mission of the American Guild of Organists is to foster a thriving community of musicians

**Paul Manz Presentation**

In observance of the 500th Anniversary of the Reformation, our October meeting will feature the life and music of the well-known Lutheran organist, composer, church musician and teacher Paul Manz. This meeting is on Saturday, Oct. 19 at 10:00 a.m. at Community of Christ in Whitehouse.

Dr. Scott Hyslop will lead us in a lecture/demonstration/mini-hymn festival of Manz's music. Scott is the Director of Parish Music at St. Lorenz Lutheran Church in Frankenmuth, Michigan. His studies include work with Marilyn Mason at the University of Michigan (his DMA) and also with Paul Manz through the Lutheran School of Theology and the Paul Manz Institute of Church Music (both in Chicago). He has also studied choral composition with the noted American composer Alice Parker. Scott has numerous compositions for voices, organ and other instruments. His biography on Paul Manz (*The Journey Was Chosen: The Life and Work of Paul Manz*) was published in June of 2007. Join us for an informative and inspirational program!
